Frankfurt Airport as a Day Trip Destination

#VisitFRA

Fraport Visitor Center

Terminal 1, Concourse B/C

Spanning more than 1,200 m² of space, the Visitor Center features a wide range of attractions related to Frankfurt Airport and its affiliates, global aviation, and the world of tomorrow.

This multimedia exhibition's widely ranging interactive exhibits provide an ideal mix of information and entertainment to delight visitors of all ages. It's easy to access for visitors and passengers. All of the exhibits are in German and English.

The Visitor Center as an Event Location

With its inspiring high-tech ambiance, numerous innovative exhibits, and leading-edge visualization technology, the Visitor Center is a unique choice for presenting products, holding sales conferences or corporate events, or serving as an exclusive showroom.

This world of experience is a delightful place for hosting a wide variety of activities with up to 199 persons. Its fascinating view of the airport apron lends a special touch to any event, ensuring that guests will remember it for a long time to come.

Airport Tours

Terminal 1, Concourse C

Close enough to touch: discover Frankfurt Airport during an exciting tour.

Experienced tour guides explain everything live, giving guests engrossing background information on the activities taking place at the airport. Visitors can join the 45-minute Starter Tour or 120-minute XXL Tour (currently available in German only). Look forward to an unforgettable experience with close-up glimpses behind the scenes of a world-class airport!

Visitors' Terrace

Terminal 2, Food Plaza

Giant birds in motion: an ideal place to relax while watching planes landing and taking off.

Guests can catch a whiff of faraway destinations and send their thoughts winging across the skies while sitting comfortably on the Visitors' Terrace. The viewing platform is next to a large indoor area with various restaurants and an adventure playground for kids.

Spend an exciting, varied day at Germany's largest airport! All three attractions are ideal for guests four years and older.
